

Winnetka Bible Church (WBC) Awana Ministry Volunteer Information

Kids look forward to Awana® all week! It's where they hear the gospel and learn the Bible in a fun setting, complete with games, theme nights and special events.

But Awana can't happen without dedicated volunteers who serve each week. **Volunteers make all the difference in these kids' lives.**

Whether you like to teach, run games, lead songs, play with puppets, keep records, **listen to verses**, Awana has a place for you.

One thing's for sure - you'll have fun! Will you help us reach more kids with the gospel?

Leader Training

Whether you grew-up with Awana, came to WBC from another Awana Club or have not experienced Awana before, we will help you become comfortable as an Awana Leader.

We have an annual Leaders' Training and Start-Up meeting the week before clubs begin. This is an important meeting to learn Awana basics, hear how our club runs, meet your club Director and other Leaders, and get questions answered.

In addition to this meeting, Awana International has more detailed online training available called: "Awana Basics." These online video modules cover how to lead and be effective in the various Leader roles (specific positions) and Clubs (Puggles through Journey). Available online at your convenience using the link below, I highly recommend them.

Awana is:

Awana is built on strong Biblical teaching and scripture memorization.

Awana is designed to be fun and exciting.

Awana is built on volunteer leadership.

My goals for Awana are to make Awana at WBC be so much fun that kids will want to bring their friends while continuing the tradition of teaching the gospel to a growing number of students.

Making these goals a reality requires adult volunteers. Each year we need new leaders to replace those who move out of our area, feel called to serve in other ways, or move from one position in a club to another.

Please prayerfully consider becoming an Awana leader. We will train you so that you feel comfortable and are fully equipped for the task.
